#### RHYS ON LEAVE

Rhys is currently on leave until further notice. During this time, please contact one of the elders for your pastoral concerns and for any office or room use issues, please contact the office or Marcus directly.

#### Thanks

It's hard to say a word of thanks, and why— I'd like to know?

For often-times we just ignore the ones who help us so.

Ingratitude's the word that best describes the way of our neglect,

And the carelessness just blinds the eye to our behaviour's ill effect.

Our Lord fell victim to unthankfulness when ten lepers He had healed,

And only one returned Him thanks, as in the Word of God revealed.

Just to hear a "thank you" could brighten someone's day,

And help to keep them going when they'd give it all away.

Say it now before it is too late—make and keep an honest vow

To say the word of thanks you owe—Say it while yet there's time.

Say it NOW!

H J (Mac) Watts
