Love Transforms yours and your neighbours lives

You may have heard Christians say God has changed their lives or that God is their motivation for doing good things. What they're really saying is that [God's love makes them want to be better people.](#)

Loving God isn't merely a duty; it's a transformative experience. When we love Him with all our heart, soul, and mind, we find ourselves changed from the inside out. This love brings purpose, purity, joy, and peace. It aligns our lives with God's will and enables us to become who we were always meant to be. And then there is Loving others Loving others as ourselves isn't just a command; it's a revolutionary act that can change the world. This love is the heart of Jesus' teachings and the essence of the Bible. It's about seeing every person as valuable and worthy of love, just as Jesus did.

A message from the COACH Coordinator

Sharing Our Resources

Sharing our resources is an important part of fostering community and caring for the vulnerable. The Bible teaches us to be generous and open-hearted, understanding that what we have is not just for our own benefit but for uplifting others as well. When we share our blessings, we not only support those in need but also cultivate a spirit of togetherness and love within our community. God has entrusted us with resources, and using them wisely reflects His love and compassion.
