I Am Sending You!

The growing number of Israelite immigrants living in Egypt alarmed the Egyptians and they were scared about what they might do to them. In response, the Egyptians worked them ruthlessly and gave them the hard jobs they didn't want to do themselves. They made their lives bitter with hard labour and the Israelites groaned in their slavery and cried out. Their groaning and cries for help were heard by God and he was concerned about them. In Exodus 3:7 ff God says to

Moses:

I have seen their misery

I have heard them crying

I am concerned about their suffering

I have come down to rescue them

So now, go. I am sending you to Pharaoh to bring my people out of Egypt.

God uses people to act on his behalf ... human agency to address injustice.
